

**Bulletin No. 987**  
**Friday 1<sup>st</sup> October 2021**

Dear parents,

We started this week with a special visitor in school, PCSO Alex Rayment who came to our assembly to introduce himself and talk about what the role of PCSO involves. PCSO Alex is involved in a new initiative 'Pol-Ed' which is a nationally ground-breaking and innovative Police Education Programme, through which teachers are supported in delivering information on the law, crime prevention and safeguarding whilst also building an understanding of resilience, peer to peer support and how to get help if needed. Our pupils welcomed PCSO Alex in to school and have already been asking when they will see him again. Over the coming months, PCSO Alex will be visiting school to deliver lessons and be an important part of our school community.

During the week, all our pupils have taken part in The Mini London Marathon and I am sure you can see how enjoyable this has been from the pictures below. It has been a great experience for us all and has brought many smiles to many faces. We would all like to wish Mrs Kernick enormous amounts of luck for this weekend as she takes on the personal challenge of running The London Marathon to raise money for Cancer Research. We are all so proud of you and we know you will be incredible.

This week, we were once again able to take some pupils out on a Sporting Fixture. Some of our UVI pupils went to Giggleswick, where they were able to have their first Hockey match and Rugby training. There are many fixtures booked in for the year, so please watch out for invitations on Class Dojo.

As we move through the half term, many Forms have trips booked so please keep an eye out for letters and Class Dojo messages about the upcoming plans for your children. If you have not yet given consent for off-site trips, please do so as this assists in the organisation of trips for our pupils. Today, LVI have been out for the day at Cliffe Castle and I am looking forward to hearing all about it when they return. Next week, Form 2 will be visiting Eureka in Halifax and I am sure they will have a brilliant time.

Have a lovely weekend
