Thank you to our Heads of School for a super assembly on friendship earlier this week. They created a thought provoking presentation and delivered it with clarity and confidence to our key stage 2 children.

In our Friday 'Merit assembly', we talked about the process of democracy and the different ways that we are able to share decision making in School. This morning all of the children voted for their 'student choice' of school lunch for the final day of this half term, with Kindergarten experiencing this for the very first time, assisted by their Year 6 'Buddies'. We will let you know the outcome when all the votes have been counted.....

Some of our classes have been enjoying shared reading sessions this week, with the older children enjoying sharing their knowledge and love of books....and being excellent role models!

Mrs Cardus and her Library Club are holding a 'Book Sale' on Monday in the gym. All monies raised will come back into school via new books and resources for the classroom so please pop along and support them and hopefully grab a bargain as well! The sale will start at 3.30pm and finish around 4.30pm. Please can all parents of the children attending Library Club collect their children from the gym.

Finally, we finish for half term on Thursday and I know the children are all ready for a well-earned break.

Mr N Saunders and all the staff.

Parent Consultations

The February consultations went 'live' this morning so please check your phone for your login details popping through.

Healthy snacks

Please can we remind all parents that we have two opportunities for snacks through the school day. Our morning snack must consist of fruit (apples are provided by school), ideally not 'fruit winders' which are particularly high in sugar. The children's afternoon snack may consist of a healthy based variety (i.e. no chocolate, crisps, pizza, deep fried food or any snack which requires refrigerating). Please be aware that we are a nut free school. It is important for our children to keep their energy levels up through the day, but healthy and nut free please!

NHS helpline

We have a few cases in school of Scarlet Fever and unfortunately, the children are most contagious before the infection is diagnosed. There is a lot of information and advice on what to look out for on the NHS web site.

Snow/Bad Weather Warnings

1. If school will not be opening due to a heavy fall of snow, treacherous conditions or in fact closed for any reason, we will issue a **text message**. Sometimes it is possible to open the school later than usual to allow us to secure the site and make it as safe as possible, and again we would use our text messaging service to notify you of this.
2. In some instances, when conditions worsen during the school day, please take the initiative to collect your child as soon as possible.

There is no necessity to telephone, just come!

In the event of heavy snowfall during the day, we would, of course, remain in school until the last child has been collected. A text message would be sent to inform you of any closure. After school clubs would be cancelled and we would ask parents to collect children from Crèche asap.

3. If conditions are extremely icy, please do not take any undue risk to yourselves (or your cars!). In such circumstances we will understand if your child is later than usual getting to school, or you decide not to risk the journey at all. Much better to be safe and later into school than take risks on the roads. Again there is no need to call us and let us know.

Summer Holiday Clubs 2018

Three exciting weeks of holiday clubs are planned for your children this summer, which will be full of fun and excitement! From enjoying arts and crafts, through to learning how to play golf and choreographing dance routines, we will have something for every child with each session tailored to suit their age and interests. These weeks will be a wonderful and fun way for your child to spend part of the long summer holidays.

What will each week include?

Each week has its own special theme depending on the children's interests. Each week will be absolutely brilliant fun and a truly unique experience.

On top of exploring each of the themes, there will be plenty of time for the children to relax, enjoy some fresh air and take part in additional activities such as learning to play golf, netball, dancing, rugby, football, rounders and having fun with water play!

Last year the children said.....

"This was the best week ever! We have built dens, learnt to play golf, practised survival training, been singing, eating, baking, played with our friends, learnt some dance moves, mined for treasure on the school field and had picnics in the sunshine." (Form 4)

"Thank you for a brilliant week Mrs Earl, please can we play the wolf game again next year, I really love it - it is so funny and scary"? (Form 1)

Can my child mix and match the weeks?

Yes. Your child can attend the full weeks or mix and match the weeks/days to fit around your requirements. Please fill in the accompanying form to reserve your places.

If you wish to discuss any aspects of the holiday clubs then please let Mrs S. Earl know and she would be happy to answer any queries (either catch her in the playground or leave a message with Mrs Wright in the office).
