What a week this has turned out to be! Thank you to all parents for your understanding and support following the severe weather we have experienced this week. Any decision to delay the start of school, or close it, is very carefully considered. Judgement takes into account advice from different agencies, ‘feet on the ground’ very early in the morning and is made with every member of the school community’s safety in mind. Hopefully next week we will see the biting cold recede and maybe even a few hints of Spring starting to emerge; it is March after all!

Thank you to all the team at school who have made every effort to keep the school open throughout the week, after battling with the elements themselves to get here. We will be rearranging some of the events planned for this week and will let the children know as and when we get confirmation. We will be celebrating ‘World Book Day’ on Thursday next week, so don’t discard those sticks just yet!

Enjoy a safe, fun and slightly warmer weekend.

Mr N Saunders and all the staff.

Snow/Bad Weather Warnings

Our snow warning texts seems to have worked really effectively this past week. Please contact Mrs Wright if you have had any problems receiving texts this week. Our service providers have recently updated their operating software and they are keen to receive feedback from us on its performance.

1. If school will not be opening due to a heavy fall of snow, treacherous conditions or in fact closed for any reason, we will issue a **text message**. Sometimes it is possible to open the school later than usual to allow us to secure the site and make it as safe as possible, and again we would use our text messaging service to notify you of this.
2. In some instances, when conditions worsen during the school day, please take the initiative to collect your child as soon as possible.

There is no necessity to telephone, just come!

In the event of heavy snowfall during the day, we would, of course, remain in school until the last child has been collected. A text message would be sent to inform you of any closure. After school clubs would be cancelled and we would ask parents to collect children from Crèche asap.

3. If conditions are extremely icy, please do not take any undue risk to yourselves (or your cars!). In such circumstances we will understand if your child is later than usual getting to school, or you decide not to risk the journey at all. Much better to be safe and later into school than take risks on the roads. Again there is no need to call us and let us know.
