Welcome back after half term and thank you all for attending our parent consultations at the start of this week. We hope the consultation process was informative and helpful in giving you important feedback on your child's progress and next steps at this half way point in the academic year. If you have any feedback for us on any part of the process, please let us know.

It was lovely to see some of our children in their Cub, Beaver, Brownie and Rainbow uniforms which they all wore with pride to mark 'Thinking and Founders' day on Thursday.

Our Pottery Club started this week, run by Mrs Kernick and Mrs Saunders and there are still some places available on the other sessions if you are interested. Just pop along to see Mrs Kernick in Kindergarten and get your name on the list.

We will be celebrating World book day on Thursday in a variety of imaginative ways. Our Early Years classes will be stretching their imaginations with a little help from a stick they will have collected this weekend and children in KS1 and KS2 will be buddying up to share reading throughout the day. Mrs Thompson and Miss Bates will be rustling up a special themed lunch to keep our hungry readers fed!

Upper 6 girls will be attending a STEM (science, technology, engineering and maths) day at The Mount school, York, on Tuesday. The focus of the day will be designing and building a model hovercraft, which I'm sure will pose a few problems to be solved during the day.

Mr N Saunders and all the staff.

Pottery Painting

Mrs Saunders and myself are holding several exclusive pottery painting sessions, where the children can design and decorate a cup and saucer, the pottery will then go for firing in a kiln.

The club is free of charge and all the pottery will be on sale at the Spring Fair which is on Saturday 24th March.

All money raised will go back into school.

The dates are as follows:-

28/2/18 - Form 4 & Form 5

3.30 - 4.30pm

7/3/18 - Form 2 & Form 3

3.30 - 4.30pm

On the 14th March Lower Kindergarten, Kindergarten & Form 1 will be having a pottery painting afternoon.

There are limited numbers so if you are interested please pop along to see me in Kindergarten and I will add your name to the list.

Mrs J Saunders & Mrs S Kernick

Snow/Bad Weather Warnings

1. If school will not be opening due to a heavy fall of snow, treacherous conditions or in fact closed for any reason, we will issue a **text message**. Sometimes it is possible to open the school later than usual to allow us to secure the site and make it as safe as possible, and again we would use our text messaging service to notify you of this.
2. In some instances, when conditions worsen during the school day, please take the initiative to collect your child as soon as possible.

There is no necessity to telephone, just come!

In the event of heavy snowfall during the day, we would, of course, remain in school until the last child has been collected. A text message would be sent to inform you of any closure. After school clubs would be cancelled and we would ask parents to collect children from Crèche asap.

3. If conditions are extremely icy, please do not take any undue risk to yourselves (or your cars!). In such circumstances we will understand if your child is later than usual getting to school, or you decide not to risk the journey at all. Much better to be safe and later into school than take risks on the roads. Again there is no need to call us and let us know.
