Dear parents,

On Tuesday afternoon, UVI had a trip out to the rugby stadium in Headingley to watch the opening match of the Women's Rugby League World Cup. I know the pupils had a wonderful afternoon experiencing a live sporting event in a big stadium and were impressed with the team's performance. Thank you to Mr Walker, Mrs Moffat & Mr Rawling for taking the pupils out, I am sure they enjoyed it just as much as them.

Parents' Consultations will take place on Tuesday 8<sup>th</sup> November (6.00-8.00pm) & Wednesday 9<sup>th</sup> November (4.00-6.00pm), please ensure you make an appointment for this important consultation if you haven't done so already. You can contact your teachers directly on Class Dojo to make an appointment as the booking system is now closed. Please come to the hall before your appointment, unless your child is in nursery – these consultations will be held at The Lodge. I urge you to be mindful of the time taken in a consultation, if you feel you have not had enough time to address any concerns, please do make an additional appointment with your teachers, rather than stay longer.

On Thursday 10<sup>th</sup> November, the school nursing team will be visiting school to give the Flu spray to children from Form 1 – UVI. Please do fill in the form on the School Story if you have not done so already. You must indicate whether you do – or do not – want your child to be given the Flu Spray and the nursing team have only had 47% of forms returned for our pupils so far.

This evening we are looking forward to the Halloween Sparkle & Glow Disco, organised by The Friends of Lady Lane. We are looking forward to seeing fabulous costumes and spooky dancing and will share some pictures of the disco with you all. Thank you to The Friends for the time and effort it takes to organise the disco, we are grateful for the additional resources that are available for our pupils through funds raised by such events.

The next half-term is super busy with lots of hard work and fun thrown in. Please ensure that you check the school story on Class Dojo as well as your children's pages. All the event details are added to Class Dojo and it is the most up to date information on what is happening in school.

I do hope you all have a fantastic but safe weekend if you are visiting any bonfires or firework displays. All our children have been learning about keeping safe with fireworks this week and have impressed me with their knowledge.
