

Bulletin No. 1039
Friday 3rd March 2023

Dear parents,

I feel very proud every Friday morning, when I am able to present pupils with their Merit Certificates and have the chance to find out more about why they have been chosen. It is a great moment in my week and an important time to celebrate all successes. I have also been busy awarding pupils with their Maths Passport Certificates in Friday assembly; it is wonderful to see how proud pupils are of, not just their own, but also their peers achievements. I especially enjoy hearing about out of school accomplishments and value the time to acknowledge pupil's interests outside school. Please do send any certificates or awards that have been given outside school in so I can also present these too.

This week, Form 2 were out and about, they all visited Tropical World in Leeds on Thursday. I was amazed at how many creatures they were able to see and impressed with how much they could tell me about their day out. Well done to them all for behaving beautifully and making us all proud.

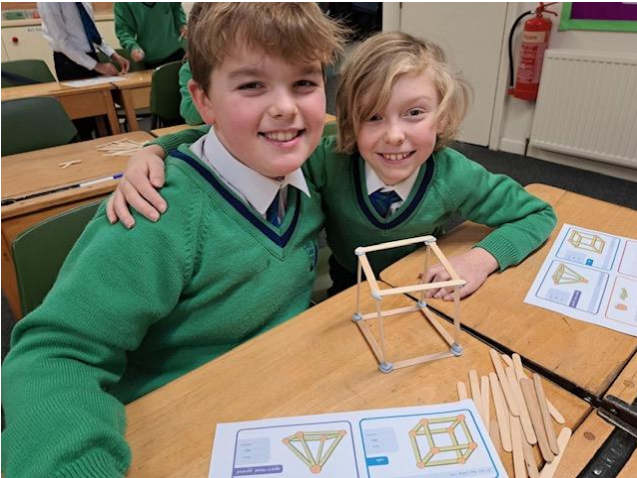

To celebrate World Book Day yesterday, all our pupils had a lovely time sharing their favourite stories with other pupils in school. It is always a joy to see pupils reading and enjoying spending time with a book!

On Monday, LVI will be out for the morning, meeting the brilliant author Francesca Simon at Bradford Grammar School. It will be a fantastic opportunity to meet a much loved author, as well as have the chance to ask questions about what life as a writer is like. On Friday, Form 3 will be visiting Thornton Hall Park, where I am sure they will have a fun-filled day out.

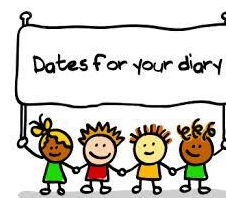

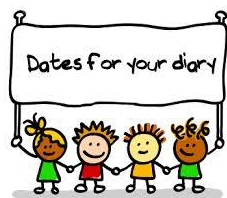

Thank you for booking your appointments to speak to your teachers next week at Parents' Consultations. If you haven't yet had chance to do this, please contact your teacher on Class Dojo. Please come to The Hall to register your arrival and you will be directed to your appointment, unless you are a Nursery parent – in which case please go straight to The Lodge. Please be mindful of the time allocated for your appointment, if you need longer to discuss additional matters – please request an additional appointment.

Have a lovely weekend

Dear Friends,

We can't say thank you enough!

Thank you to everyone at Lady Lane Park School for your very kind donation of £108.95 to Macmillan Cancer Support. Your generosity and support will allow us to help everyone with cancer live life as fully as they can.

To give you an idea of what your donation could go towards, every £100 we spend on our phone service could lead to our welfare rights advisers on our Macmillan Support Line helping people affected by cancer to claim £2,572 in benefits they are entitled to.

How you're helping

At Macmillan, we understand that cancer can impact a person's whole life - health, money, family, work; everything. We can help people with managing symptoms and offer advice and benefits for things like keeping the cost of heating down during treatment. We can also provide training for employers to support people back to work. With your support, people get the energy and inspiration to feel more like themselves.

Thank you once again for being a part of Team Macmillan.

With best wishes,

N Smith

Dear Parents

Hipperholme Grammar School Open Evening - Thursday 2nd March

You may already be aware that we are holding our Open Evening on Thursday 2nd March. The Senior School event, primarily for entry into Year 7 from September 2023 and on, is taking place from 6.00 - 8.00 pm. We will be holding an in-person event with visitors spread across the evening. The evening will give you and your child an opportunity to see what Hipperholme Grammar School has to offer. As well as a tour around the school, subject areas and activities there will be a talk from myself at 7.40 pm, as well as an opportunity to speak informally with myself and senior colleagues.

If you would like to join us on Thursday please click here to 'Book your Place' or visit www.hgsf.org.uk.

Our aim at Hipperholme is to offer a first-class rounded grammar school education through a broad academic curriculum and wide variety of exciting activities beyond the classroom. Class sizes are small so teachers are able to attend to individual needs. We are a nurturing and cohesive community, where promoting well-being and building self-esteem are paramount. Our watch-words are "Nurture, Inspire, Achieve". Please visit www.hgsf.org.uk/about to find out more about our special and distinctive school.

If you would like to visit Hipperholme Grammar School, or have a conversation about what we can offer you and your child, please contact either myself at n.james@hgsf.org.uk or our Seniors' Admissions Manager at a.eastcrabben@hgsf.org.uk. We hold Open Tour mornings on the second Wednesday of each month.

Yours sincerely
