

Bulletin No. 1017
Friday 1st July 2022

Dear parents,

We might be getting to the end of the academic year, but our pupils are certainly not winding down just yet. We have had another action packed week which started with the wonderful Footsteps Show on Monday evening. It was a welcome return to watching the many talented dancers on stage once again. I would like to thank the staff for helping during the day rehearsals and again in the evening and also Mrs Hudson for all her commitment to dance.

On Tuesday, I was lucky enough to spend the day at the Giggleswick 'Charlie & The Chocolate Factory Event' with our LVI pupils and Mrs Moffat. Before watching the Senior School's performance of the show, we were able to take part in some great activities – including preparing some delicious chocolate treats. I was proud of the behaviour of our pupils, they really were a credit to the school and worked particularly well with pupils from other schools.

Thank you to you all for making appointments to see your Form Teacher for the final consultation of the year; it has been pleasing to hear so many teachers discussing the tremendous progress, both academically and emotionally, made by their pupils this year. The teacher-parent partnership is so important in ensuring progress for your child and we thank you for your continued support. You will all have the opportunity to meet your new Form Teachers at our Welcome Evening on Wednesday 7th September in school at 6.00pm and again at the Autumn Parents' Consultations.

Unfortunately, we have had to postpone Sports Day twice this week due to poor weather conditions overnight in Bingley. We have rescheduled the Junior events to Tuesday 5th July at 1.45pm and the Infants events to Friday 8th July at 9.15am. The forecast is much more favourable next week and we are hopeful that the events will go ahead. All pupils can come to school in their PE kit on the day of Sports Day and we welcome spectators as normal, please remember to bring a chair or blanket if you are coming to watch.

We are excited to finally see the Infants Summer Celebration performances next week, I have been listening to some beautiful singing this week during rehearsals. If you have not yet indicated which performance you would like to come to – you are able to attend either Tuesday or Wednesday morning and can turn up on the day. We do ask though that families stick to the 2 seats per family to ensure that everyone can fit in. The performance will start at 9.15am, we will be opening the doors shortly before that so we politely ask that you wait in the playground until the doors open. We are inviting all our guests to join us after the show in the playground for some refreshments once your child has gone back to class with their teachers.

Next week, our Junior pupils will have the chance to spend time with their new Form Teacher on Wednesday during Transition Day. Your new Form teacher will collect your child from the playground in the morning, and collection at the end of the day will be in the playground too.

You will be receiving the annual update form which gives us all your contact information for September. Please check all the details are correct before handing back to your Form Teacher next week. You should have also received your Autumn Term invoice. If you would like to take advantage of the 2% discount you need to settle your account on or before Friday 8th July.

Have a lovely weekend,

Mr Saunders & The Staff at Lady Lane Park School & Nursery

Footsteps Raffle Prizes – Unclaimed

We have 4 lovely prizes that have not yet been claimed from the Footsteps Raffle on Monday. The winning ticket strips are shown above, if you are a lucky winner – pop in to see Mrs Wright in the office for your prize.

LVI enjoyed their trip to Giggleswick School on Tuesday to take part in their 'Charlie & The Chocolate Factory Workshop' before watching the fabulous show.
