

Lady Lane Park School & Nursery

The Bulletin: Friday 28th February 2025

Dear Parents

I am thrilled to announce that this week, Lady Lane Park School & Nursery has achieved The Artsmark Gold Award– a huge achievement that reflects the exceptional commitment to the arts here at school. A heartfelt thank you to our wonderful Performing Arts team, including Mrs Hudson who started this journey and continues to show dedication to Lady Lane, and to all the staff who enable wonderful opportunities for our pupils in the classroom to develop their creativity and artistic excellence. Of course, huge thanks go to our brilliant pupils, who all have a positive attitude to everything we do.

Yesterday, Form 1 had an exciting trip to Ponderosa Zoo, where they had the opportunity to explore and learn about a variety of animals. It was a wonderful day filled with hands-on learning, as well as some sunshine, and the children had a fantastic time discovering the fascinating world of wildlife. Thank you to all the staff who made this trip so memorable!

Next week, Form 4 and Form 5, are heading off to York YHA for their Spring residential trip. They will be immersing themselves in Viking history and exploring the rich heritage of this beautiful city. It's bound to be an exciting and educational adventure for all involved, and we can't wait to hear all about it when they return! Mr Mallon will be accompanied by Miss Ripley, Miss Hemsworth and Mr Davies.

Next Thursday is World Book Day and our Head Librarians, Hannah & Inayah invite everyone to come dressed as their favourite book character or even in pyjamas to celebrate the joy of reading. It's always a fun day, and we can't wait to see the creativity and imagination on display.

Mrs. Vernon recently shared the results of her children's survey on reading, and we were delighted to discover that bedtime is the most popular time for reading! We love that so many of our children are enjoying books as part of their evening routine.

I hope you have a lovely weekend and manage to catch a few rays of sunshine, whatever you are doing.

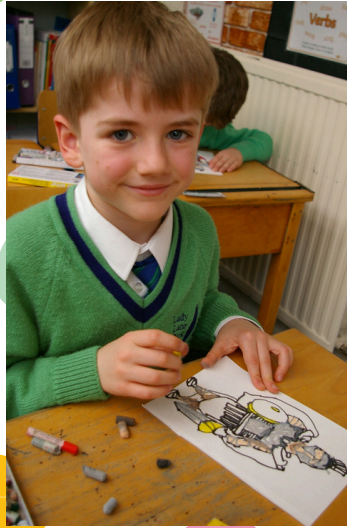

Mrs Arnold & The Team

Lady Lane Park School has shown commendable progress in its Artsmark journey, particularly by embedding the arts as a core component of its values and creating a vibrant, inclusive culture for its pupils.

A notable strength lies in the school's Values and Ethos, with arts featuring across all year groups and linked to broader themes of empathy, social responsibility, and personal growth. This is exemplified by initiatives such as performances at local care homes, where pupils not only showcased their creative talents but also connected meaningfully with the wider community.

Similarly, the school has demonstrated strength in Curriculum Design and Delivery, with creative approaches to cross-curricular learning. Drama, for instance, is effectively integrated into PSHCE lessons, enabling pupils to explore complex themes like relationships and social issues through role-play and improvisation, fostering critical thinking and emotional expression.

exploring space

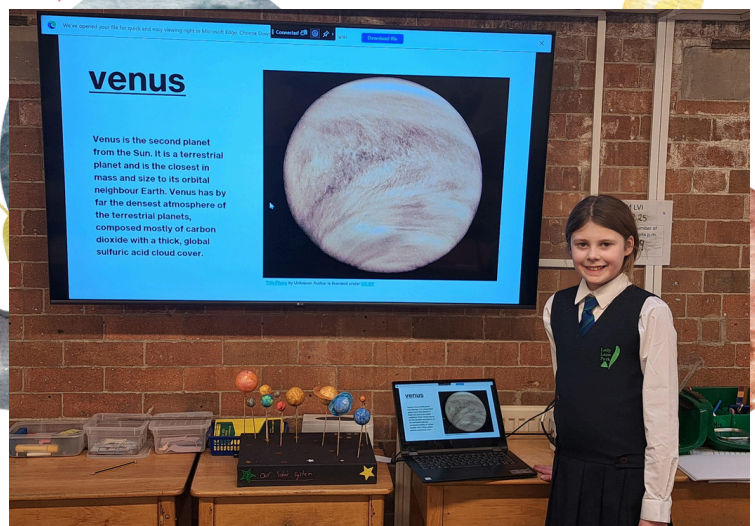

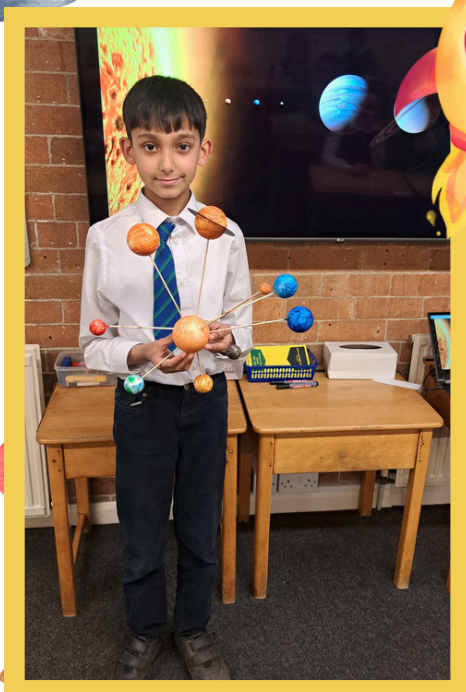

F1 (Reception) are exploring the Sun, the Moon and the Stars with their new Space-themed topic!

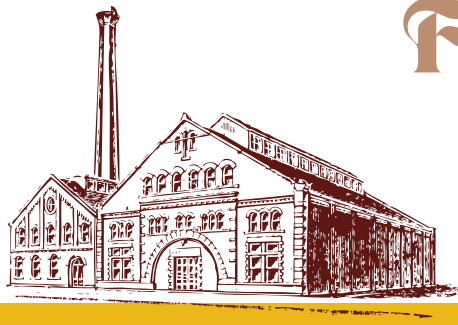

From exploring their very own space station, to making their own 'planet earth' and stars with playdough, paint and coloured water, they are ready to fly to the moon and back! #science #understandingtheworld #expressiveartsanddesign #earlyyears #space #nationalsciencemuseum @TWJSciNa

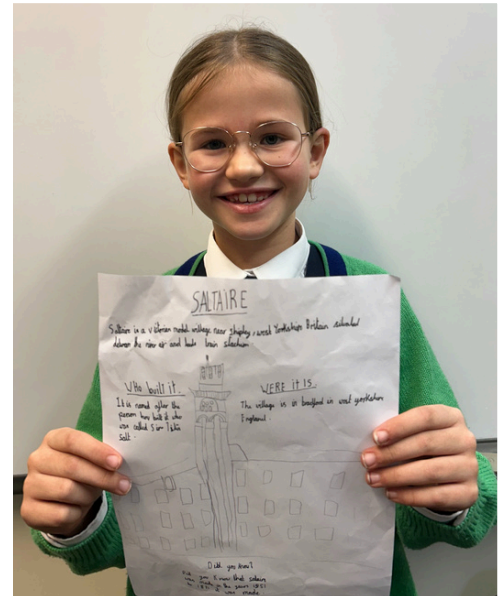

LVI Holiday Homework on The Solar System

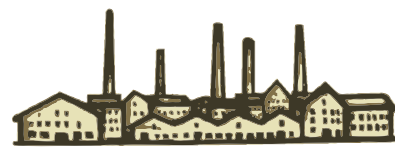

Form 5 Holiday Homework on Saltaire

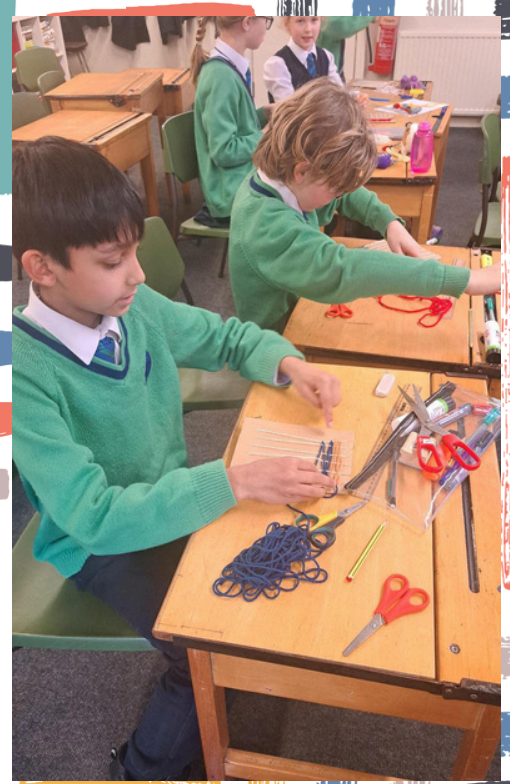

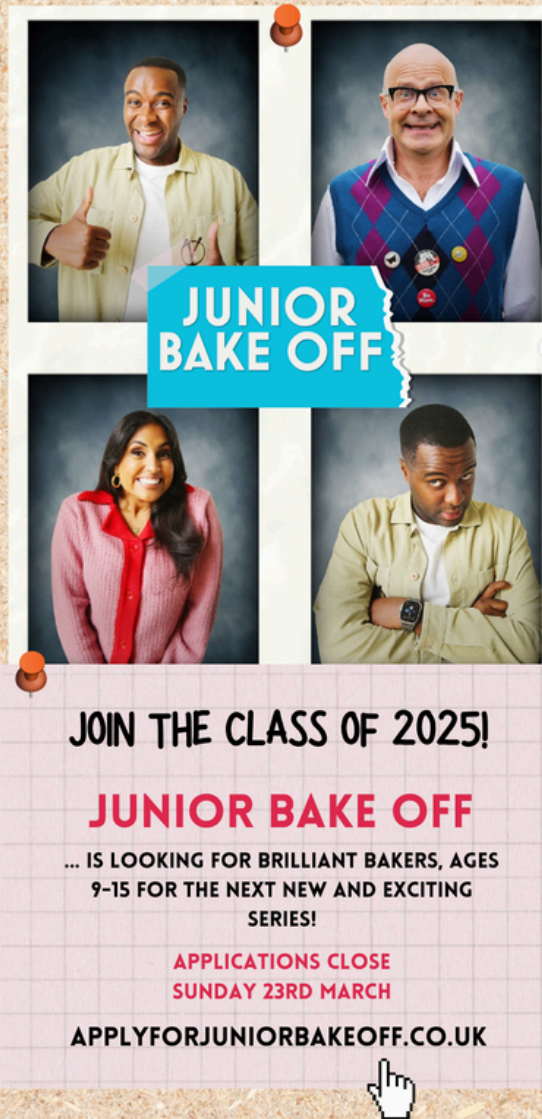

Over the holidays, our Year 4 (F5) pupils have been diving into the fascinating history of Saltaire and Salts Mill – a UNESCO World Heritage Site right on our doorstep! From learning about Sir Titus Salt to discovering the mill's transformation into a vibrant arts hub, they've been exploring how our local history connects with Bradford's City of Culture 2025 status. As an Artsmark Gold school, we love celebrating creativity and heritage, and this holiday homework has been a fantastic way to bring history and the arts together!

LVI Weaving

My name is Ollie, I'm an Assistant Producer at Love Productions; the production company behind The Great British Bake Off, The Great British Sewing Bee and The Great Pottery Throw Down.

We are delighted to say, that we have recently opened applications for the 11th series of Junior Bake Off; a Channel 4 programme that celebrates the culinary talent and ambition of the younger generation in Britain.

With this in mind, we are contacting schools in the hope that you can help us spread this message to any of your students aged 9-15 years old who are budding young bakers.

Filming would take place from July 2025, but our applications close on Sunday 23rd March 2025.

Interested bakers can apply online at -
www.applyforjuniorbakeoff.co.uk
