

# Lady Lane Park School & Nursery

## The Bulletin: Friday 16<sup>th</sup> January 2026

Dear Parents & Carers,

It has certainly been a busy and positive week in school, with lots of learning, new experiences and exciting opportunities taking place across Lady Lane Park.

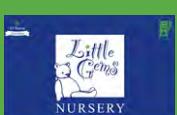

Yesterday, UVI pupils enjoyed a fantastic trip to Snozone at Xscape, Castleford, where they joined pupils from St Martin's Prep for ski lessons. This was a wonderful opportunity for the children to practise their skills ahead of the Alpha Schools Ski Trip to Italy in just a few weeks' time, as well as a chance to meet some new faces before travelling together. The children represented the school brilliantly, showing enthusiasm, resilience and teamwork throughout the day. A huge thank you to Mr Jarman, who will be taking the children to Italy, and to Hannah's dad for giving up their time to transport and support the children—your help is very much appreciated.

I would also like to thank Miss Bleakley for delivering a thoughtful and inspiring assembly focused on teamwork. She reminded the children that teamwork is about working together, supporting one another, and recognising that everyone has a role to play. The assembly highlighted the importance of listening, sharing ideas, and helping each other through challenges, showing how much more can be achieved when we work as a team. It was a powerful message that links beautifully to learning, friendships and personal growth.

It has also been a wonderfully busy week in Little Gems Nursery, where we have been delighted to welcome lots of new faces, including our youngest babies, who are settling in for their first sessions. It has been lovely to see them beginning to feel safe, happy and at home in their new surroundings, and we cannot wait to watch them grow and flourish as part of our Lady Lane family.

Finally, a warning from Form 2 pupils - there have been sightings of a dinosaur on the school grounds, so watch out on your way home! I was given a beautifully written description of the dinosaur, it has sharp, white teeth and scaly skin. If you do spot anything, be sure to pass this on to Form 2 pupils.

Have a lovely weekend  
Mrs Arnold & The Team
