

Bulletin No. 1020
Friday 16th September 2022

@LadyLanePark

Dear parents,

Our second week back in school has seen pupils settling in to their new classrooms & routines beautifully. I have been extremely proud of all our children; they have returned to a new year full of positivity and determination to do their very best. I would also like to warmly welcome new families who have joined us in September, it is always a pleasure to get to know you all and I hope your first couple of weeks have run smoothly.

Thank you to The Friends of Lady Lane for holding the first New to You uniform sale this morning, we raised over £800 for the school which is just incredible. Not only is this a great way to raise important funds for school, it is an important way to contribute to living a more sustainable life. Thank you to everyone who donated used uniform, we are extremely grateful.

Thank you to everyone who has now completed the form to give consent for children to take part in off-site visits, such as nature walks & fixtures. If you have not yet had the chance to do this, please could you do so as teachers will be planning activities for the next half term. This week you should have received an email or seen on Class Dojo another request for consent, this time for the use of images on our social media platforms and/or Class Dojo. Please do complete the short form at your earliest convenience so we know whether or not we can use images of your child. Please note that The Bulletin is also published on our website, so available for public viewing. Should you need any of the links to the consent forms again, please contact Mrs Arnold on Class Dojo.

A polite reminder that following the announcement of the plans for the State funeral for our late Majesty, Queen Elizabeth II, please be advised that school & nursery will be closed on Monday 19th September as a mark of respect. We will be open as usual from Tuesday 20th September.

Thank you Lady Lane Park Preparatory School for your kindness

I am writing to thank you for your kind donation of £86.50 from in support of the British Red Cross Ukraine Crisis Appeal. As you know, the humanitarian situation is increasingly dire and desperate.

It is because of generous donations like yours, we can continue reaching people within Ukraine, bordering countries and other parts of Europe where people have fled.

What is the Red Cross doing to help people now?

The Red Cross has already reached more than 1.5 million people with life-saving aid, including food, clothing, water, first aid and psychosocial support. And while the situation is constantly evolving and may be challenging for some time together, we can give hope to people in crisis. Red Cross teams in bordering countries are also offering medical care and providing food, aid and shelter to people arriving from Ukraine.

Please get in touch if you have any more questions or queries.

Thank you, once again, for your kindness and support.
