

Bulletin No. 999
Friday 28th January 2022

Dear parents,

On Thursday, our fantastic cross-country running team travelled to Giggleswick with Mr Walker to take part in The Catteral Shield race. The terrain is very challenging and all our runners put in a super amount of effort, resulting in finishing places they should be proud of. Well done to you all. Next week, our U11 Netball team will be playing Belmont Grosvenor at home, whilst our U11 Hockey team will play at Giggleswick.

Whilst our U9s have been out at a fixture this afternoon with Belmont Grosvenor, our U11s have had a brilliant afternoon of out-reach coaching from Giggleswick School at home. All our pupils have represented our school in such a sensible and enthusiastic manner – well done.

For the next two weeks, our Junior pupils will be completing exams in Maths & English in some of their lessons. We are confident that they will all do their very best; Form Teachers will be feeding back on the results during our next Parents' Consultations. If you have any questions, please do contact your Form Teacher on Dojo.

We will finish our week on Friday with our 'Rockstars' number day organised by Mrs Moffat, our Maths specialist. We are looking forward to seeing 'Rockstar Hair' styles and no doubt some excellent performances in competitions running throughout the day. For Juniors, who will be competing on TT Rockstars, the over all Ultimate Lady Lane Rockstar will take on Mrs Moffat herself on Wednesday 9th February – so get practising! Our younger pupils will be playing on Numbots throughout the day. Not only is this an exciting day of Number, we are raising money for the NSPCC, so please donate £1 if you are able.

Have a lovely weekend

Mr Saunders & The Staff at Lady Lane Park School & Nursery

Dates for the Diary 2022
