@LadyLanePark

Dear Parents,

This morning, I enjoyed seeing all the Rock Star hair in assembly, some of you have been very busy this morning! We enjoyed listening to Henry (UVI) play his electric guitar with Mr Sykes on drums, a really great start to our Rock Star Day!

Through the day, our Junior pupils have taken part in the Rock Star Challenge, with the highest scoring pupil going head-to-head with Mrs. Moffat. In the end it was Tehreem (LVI) who had to face Mrs. Moffat in a very exciting final. Taking an early lead, Tehreem continued to show off her exceptional speed at times tables, beating Mrs. Moffat by 16 points. Thank you to Mrs. Moffat for not only organising the event, but for also being brave enough to be challenged by our pupils!

Yesterday, we had a 'New to You' sale which raised over £400! Thank you to The Friends and their volunteers for running the sale and thank you also to the parents who have donated good quality, unwanted items for them to sell.

On Wednesday next week, Nursery is holding a Valentines Stay & Play Session from 9.30am-10.30am. If you would like to bring your child, who is not yet in our Nursery, please come along so they can explore the setting whilst you meet the team. Please email [secretary@ladylanepark.co.uk](mailto:secretary@ladylanepark.co.uk) to register for this event. We are soon to be offering places in Nursery for children aged 1 and above. If you would like to register your interest, please also email the office.

On Sunday, Miss Knowles is heading off to Italy on The Alpha Schools Ski Trip with some of our UVI pupils, I would like to wish them all a wonderful time and I am really looking forward to hearing their daily updates. Form 1 parents can be rest assured that Miss Ripley and the team will ensure a smooth continuation of provision and contact during Miss Knowles' absence.

Next Friday, School break's up for half-term but don't forget Nursery remains open and all other pupils can access Mrs Kernick's Holiday Club through the week. Please contact her on Class Dojo to make a booking.

Have a lovely weekend

# Our Learning around school this week

In science, Form 2 have been examining 'coprolites' to find clues about the diet of different Dinosaurs.

Form 3 researched facts about The Great Barrier Reef in Australia, added them to their working wall and used them to write up their Non- Chronological Report.

On Tuesday, we had the privilege of author, Brian Beresford visiting our Junior Department. Brian made the children laugh by reading extracts and acting out parts from his new book, 'Silly Island'. Brian also sang his song, 'This is the Moment (Life on Earth)' which uses quotes from David Attenborough, leaving the children feeling inspired!
