

Bulletin No. 988
Friday 15th October 2021

@LadyLanePark

Thank you to The Yorkshire Treats Company for the delicious donation of Halloween Biscuits.

Dear parents,

These past few weeks have really flown by; school has been bustling with cheerful pupils whilst they enjoy many of the activities that have been available to them.

I would like to say a huge thank you to The Friends for organising our Halloween School Disco, a good time was had by all! We are grateful to all the parents who had clearly spent a lot of time on costumes and also to all the pupils who came – your attitude was fantastic.

At the start of the week, Mr Mallon organised a virtual 'Meet the Author' session when Form 4, 5 & LVI had the pleasure of meeting Lucy Noguera, the author of "Swop – The Satsuma-Sized Secret" on zoom. All pupils were able to engage in a exciting workshop with Lucy and really enjoyed the experience. Lucy's energy and enthusiasm certainly left the children inspired, with a hunger to read and write more.

Mr Walker & Mr Mallon have both been out on more fixtures this week, our U9's mixed Rugby team went to Richmond House to enjoy a brilliant afternoon of Tag Rugby. On Wednesday our U11 Rugby team travelled to Giggleswick whilst our U11 Netball team played Belmont Grosvenor at home with Mr Rawling. Well done to everyone involved, it has been great to see our Sports Captains leading their teams so successfully.

On Wednesday, Mr Husdon took Form 4 on the train to Kala Sangam in Bradford, a multi-cultural arts hub, to experience a wonderful Arts Award Drama workshop and an even better performance of 'Bird in the Window'- a journey from tears to laughter with song, dance, rapping and drama galore!

On Thursday, Mr Mallon & I took Form 5 on a journey of exploration on Bingley Moor looking for Neolithic standing stones & cup and ring stones. I can safely say that we experienced typical Yorkshire weather and despite the chilly wind, we had a great day of discovery.

Finally, Juniors have been enjoying Religious Studies week and have had the chance to learn about four different faiths, with a focus on Religious Symbols. As ever, pupils have appreciated the opportunity to spend time in different classrooms, with different teachers whilst focusing on a particular faith each day.

Please do have a fantastic October Half-term, for pupils in Nursery – we look forward to seeing what adventures you have in school over the next two weeks. For everyone else we will see you all in school again on Monday 1st November 2021.

Mr Saunders & The Staff at LadyLane Park School & Nursery

Monday 1st November – School Open

On Friday 19th November, we are going to supporting Children in Need by all taking part in Joe Wicks’ schools Move It session.

Please come to school dressed in your own athletic wear, this doesn’t have to be school sports kit.

We are also asking for a £1 donation towards this very worthwhile cause.

Thank you,
 School Council

Important information for parent/carer following a vaccination

Possible side effects of the nasal flu vaccine.
The nasal spray flu vaccine has very few side effects, the main one being that post vaccine children may have a slightly runny nose for a short time.

Other possible Side Effects include:

- Fever and muscle ache
- Headache
- Feeling slightly unwell
- Reduced appetite
- Tiredness

This card tells you about the common side effects that may occur following immunisations in young people.

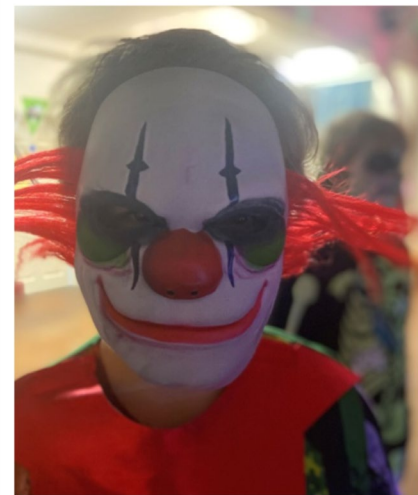

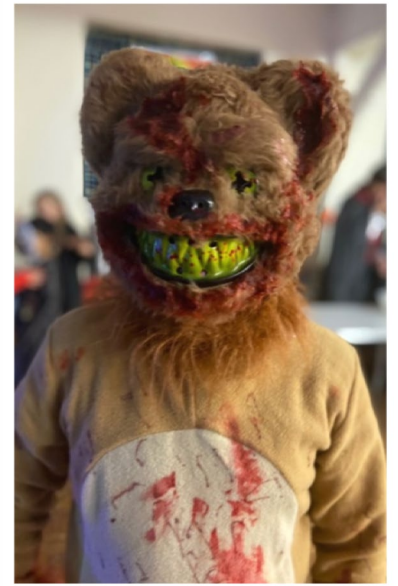

Common Side Effects:

- Swelling/small hard lump at the site of injection
- Redness
- Tenderness
- Fever
- Muscle ache
- Headache
- Tiredness
- Feeling sick
- Swollen glands

If you are worried about worsening of the symptoms or they do not improve then contact your GP or NHS out of hours on 111. Should you have any questions please contact the immunisation team on 01274 221269. Further advice can be found on www.nhs.uk/vaccinations

HALLOWEEN
