

Lady Lane Park School & Nursery

The Bulletin: Friday 3rd October 2025

Dear Parents and Carers,

This week we are celebrating with immense pride the outstanding achievement of our LVI Form, who were crowned overall winners of the Gigg Challenge 2025 yesterday. This is a remarkable accomplishment, as the challenge brought together many primary schools and tested pupils in a wide range of disciplines, from sport to STEM. To have our pupils shine across such varied activities is due to their hard work, determination, and team spirit.

I would like to thank to our advisory governors, who joined us for Wednesday evening's meeting. It was a very productive session with thoughtful discussion and valuable insights. Mr Saunders, Chair of Advisory Governors, talked about his upcoming adventure to Nepal, where he is climbing The Mera Peak in October. Our pupils have been busy this week designing a Flag for Mr Saunders to take on his travels and he promises to take a picture of him holding our Lady Lane flag on the summit! We wish him all the very best and look forward to hearing about his journey when he returns, when he will be coming in to talk to the pupils about what it takes to be an intrepid explorer.

Looking ahead to next week, we are excited to welcome families to our Open Morning on Wednesday from 9.00am until 11.00am. These occasions are so important because they allow you to see the school in action – to walk into classrooms, observe learning as it happens, and gain a real sense of the energy and curiosity that fills our days. For parents of children in Nursery and Kindergarten, it is also a wonderful chance to take a tour of the rest of the school, giving you a clearer picture of the journey your child will hopefully continue to make with us in the years ahead.

Next week also marks Recycle Week, an important opportunity for us all to reflect on how our small daily actions can make a big difference to the environment. Our School Council have prepared a number of activities to engage their peers, encouraging everyone to think creatively about how we can reduce waste, reuse materials, and take better care of our planet. Developing this sense of responsibility and awareness in our children is vital, and we are delighted to see them leading the way.

On Friday, we will be joining schools across the country in supporting Wear Yellow Day for YoungMinds. This wonderful charity works to improve children's mental health and wellbeing, something that is more important than ever. By wearing yellow, pupils can show their support and help raise awareness, and we ask for a small donation of £1 per pupil. Together, we can contribute to the work of a charity that is making a real difference in young lives.

We finished next week with Mrs Hudson & her amazing dancers as they perform at The Lord Mayoress's Festival of Talent at Oastlers School. I know they are going to be amazing, and I am so proud of them all.

Have a lovely weekend.

Mrs Arnold & The Team
