Dear Parents/Carers

What another busy and brilliant week it has been at Lady Lane! This morning, we were delighted to welcome you all to our Macmillan Coffee Morning, alongside The Friends' New To You Uniform Sale. A huge thank you to all of our wonderful volunteers who gave up their time to make the morning such a success. We are absolutely delighted to share that the New To You Uniform Sale raised an astonishing £770, while the Macmillan Coffee Morning has so far raised over £220 – and that is before this afternoon's after-school bake sale! What an incredible response from our school community. Thank you to everyone who baked, donated, volunteered, bought a treat or simply supported the events. Your generosity makes such a difference.

It has been an exciting week for our children, with Mrs Heathcote launching our new Passport to Respect initiative. Respect is such an important value here at Lady Lane, and we want to recognise and celebrate the many ways our children demonstrate it each day. Following our launch assembly, the children have been earning Respect Points, which will lead to special badges as they progress through their Passport to Respect journey.

The launch was followed by PSHCE workshops for all of our children, giving them the opportunity to explore what respect means, what it looks and sounds like, and how we can all show respect to one another. It was wonderful to see the children engaging so positively with this important message. On Wednesday morning, Mrs Walpole and Form 4 delivered a superb Parent Assembly on respect. The children have clearly worked incredibly hard, and we were so proud of them. A huge thank you to all the parents and carers who joined us to watch – we hope you enjoyed it as much as we did!

Mr Jarman has also had a particularly busy week. He led a football training session with pupils from one of our other schools, Abbotsford Prep. It was a great opportunity for the children to train and play together, and it was lovely to welcome their pupils and staff to Lady Lane. Mr Jarman has also enjoyed meeting some of the children and staff who will be joining us on next year's Italy Ski Trip – we are already looking forward to what promises to be a fantastic adventure.

Yesterday, Mr Jarman took a team to the annual Gigg Challenge, where the children had the chance to take part in an amazing range of challenges – everything from robotics to rugby! A brilliant day was had by all, and we were incredibly impressed with the enthusiasm, teamwork and determination shown by everyone. A special mention must go to Maryam, who won the Robotics Challenge – a fantastic achievement. Well done!

A quick reminder that next week is Individual and Sibling Picture Day. NiceSmile will be in school on Thursday 1st October, so please ensure children come to school looking super smart, with the correct shoes and coats and, where appropriate, hair tied back.

Have a lovely weekend.
