

Lady Lane Park School & Nursery

The Bulletin: Friday 2nd October 2026

Dear Parents/Carers

Yesterday was National Poetry Day and Mrs Painter, English Lead, invited children to write their own poems, all on the theme of 'wonder'. In assembly this morning, all pupils who entered the competition read out their poems and received their certificate and Head Teacher's Award sticker before hearing the winners. Mrs Painter had a very difficult decision on her hands, and I know she found it a tough choice. Congratulations to the winners, Kaira (Juniors) and Sylvie (Infants) for their wonderful poems, I look forward to hearing what you choose to spend your voucher on!

Also in assembly, I was pleased to hear so many Merits being awarded based on attitude in school, particularly around the theme of respect. As you know, Mrs Heathcote, Pastoral Lead, launched 'Respect Points' whereby children are recognised for demonstrating respect in their everyday actions: listening carefully to others, using kind words and good manners, looking after our school environment, and showing consideration for their friends and teachers. It has been wonderful to see how enthusiastically the children have embraced this, and how these small acts of thoughtfulness are making such a positive difference across the school.

NiceSmile were in school yesterday to take the individual and siblings pictures for all our children in school and nursery. They did a brilliant job and I know you will love the finished results. As soon as the images are ready to purchase, we will post a link for you. I had great fun at the nursery with the little ones, lots of them really enjoy having their pictures taken and some needed a little more encouragement - I am sure the photographers slept well last night, I know I did.

As we approach the half-term break, I wanted to let you all know that we have been in discussions with Raising Explorers about setting up a Holiday Club at Lady Lane and for Lady Lane pupils. Raising Explorers are a well established holiday club provider with a great deal of experience running exciting clubs in the local area. The first club is from Monday 19th - Friday 23rd October and hopefully if this is successful, we will be offering more of these clubs in the future. I will be collecting feedback after the first club from any parents who attended, so please do fill in the form when it is sent out after the holidays. As with anything new, I am sure many of you have questions about how the club will work, with this in mind we have set up a parent meeting on Thursday 8th October at 3.45pm, in the UVI classroom. You will have the opportunity to find out more about what's on offer and see the bespoke timetable for the week. Both Raising Explores staff and ourselves will be there to chat through any queries you have. If you would like to register your interest, click the link on the page below.

Although, at the moment, Raising Explorers will not be taking bookings for Kindergarten pupils, holiday club is still open for them and will be run by Lady Lane staff. Please book your places directly with Miss Ambler on ClassDojo. For the second week, Miss Ambler will be running holiday club, so again please book directly with her on ClassDojo.

Finally, we wish Miss Crossley, our lovely Sunflower Room leader, and her husband to be, Andy, all the very best for her Wedding tomorrow. We know she will have a fantastic day and we can't wait to see the pictures!

Have a lovely weekend.
