

Lady Lane Park School & Nursery

The Bulletin: Friday 13th March 2026

Dear Parents/Carers,

It has been another busy and enjoyable week in school, with pupils continuing to approach their learning with enthusiasm and curiosity.

On Wednesday, we were treated to a wonderful assembly from Form 3. The children shared a thoughtful message about the importance of friendship, reminding us all about kindness, support, and the value of looking after one another. Thank you to the parents who joined us to watch, and a big well done to all the pupils involved for such a confident and meaningful presentation.

This week has also seen the school fully embrace British Science Week, with a range of exciting activities taking place across different year groups. Pupils have been busy exploring all sorts of scientific ideas – from investigating how a car engine works to taking on the challenge of building the most stable structure using only lollipop sticks and tape. It has been wonderful to see so much creativity, problem-solving and teamwork in action.

Alongside this, pupils have been learning more about our system of democracy using The Houses of Parliament education loan box. With the help of real-life props, including robes and a ceremonial Mace, the children have been exploring how Parliament works and how decisions are made. Form 2 pupils certainly enjoyed call 'Order!'. This morning, I enjoyed hearing our LVI pupils present the manifestos for the political parties they created – perhaps we have some budding politicians in the making!

This morning we held a lovely Mothers' Day Tea Party for our Kindergarten, Form 1, Form 2 and Form 3 families. The children performed some very sweet songs and readings, which were greatly enjoyed by everyone who attended. Thank you to all the teachers who helped organise the event and to the children for the beautiful gifts and keepsakes they prepared. Most importantly, thank you to all the mums and grandmothers who came along to share such a special morning with us.

Next week, LVI and Form 3 are looking forward to an exciting trip to Magna in Sheffield, where they will take part in a range of interactive science activities and experiments to further develop their scientific curiosity.

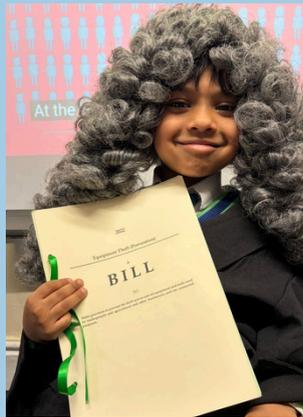

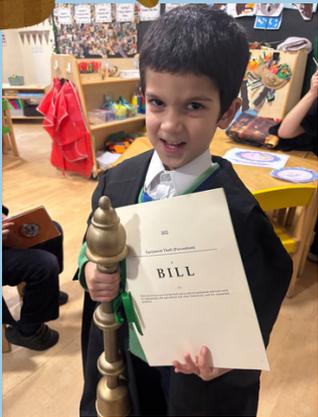

Looking ahead to next week, some of our families may be celebrating Eid. We would like to wish you a joyful and peaceful celebration. If your child will be absent from school for this reason, please do let their Form Teacher know. For those children in school on Friday 20th March – it's Red Nose Day and following this year's theme 'Funny for Money', children can come in to school dressed in whatever they like! Please remember for £1 donations.

Parents' Consultations bookings are now open, so please do ensure that you book an appointment with your Form Teachers.

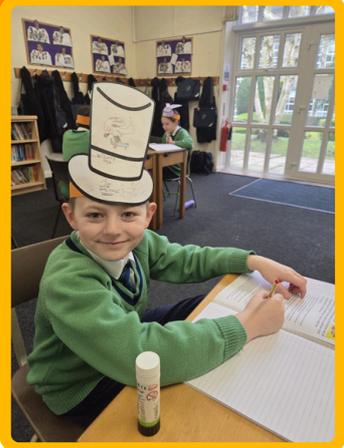

We wish you all a lovely weekend and look forward to another productive week ahead.
Mrs Arnold & The Team
