

Bulletin No. 976
Friday 21st May 2021

Good afternoon to you all,

School has been full of music and drama this week; our Summer Celebrations are certainly taking shape and I am looking forward to seeing all our pupils entertaining you all in their performances at the end of term. This year's event will be even more special than usual, having missed out on putting this together last year.

Form 4 have raised an amazing £1,200 for Breast Cancer Care through sponsorship for their Extreme Laps Challenge completed recently; this is a fantastic achievement for a super charity.

We have a very busy last half-term in school when we return, please check the 'Dates for your Diary' section of the Bulletin to see what we will be doing. Parents are warmly welcome to attend our Annual Sports Days and Summer Celebrations, all of which will be held outside, please note though that our Form Picnics are just for your children and their teachers.

We are delighted to announce that Mr Jack Mallon has been appointed as our new Form 5 Teacher for September 2021. Mr Mallon started his teaching career in Bradford and then moved to Kenya where he was the Year 5 teacher and Head of Computing. Following his time in Kenya, Mr Mallon travelled to work at the Harrow International School in Beijing where he continued to teach in the Junior Department. Since returning to the UK, Mr Mallon has been teaching more locally. Mr Mallon has previously played semi-professional football, county level Rugby and Basketball and enjoys to compete in triathlons. I know Mr Mallon is over the moon to be joining Lady Lane and he will be making visits to school before September.

If you are travelling over the Spring break, please ensure that you check carefully any quarantine requirements and ensure that you only return to school when it is safe to do so after travelling.

Have a lovely Spring break and we look forward to seeing you all on Monday 7th June.

Sun Protection Accreditation CERTIFICATE

Lady Lane Park School

is Sun Protection Accredited

This certificate signifies that I/we have agreed to put into place the following actions:

- Read and circulate the OK Sun Safety Code, educating others as appropriate.
- Create a tailored sun policy and implement this between April-September.
- Download and display awareness posters and share educational resources to help keep sun protection front of mind.
- Display the sun protection accreditation logo and certificate and promote my/our involvement on my/our website and socials.

The Outdoor Kids Sun Safety Code was created by the Melanoma Fund to support those who work with primary aged children, improving their provision of sun protection to help blow the whistle on sunburn!

Dear all at Lady lane Park School

Donation receipt no: (22737)

Thank you so much for your recent kind donation of £100.00 to Candlelighters.

Thanks to donations like yours, we can continue the vital work we do to support children and families.

Each year, more than 150 families in Yorkshire will hear the words – ‘Your child has cancer’: turning lives upside down in an instant. For over 40 years, Candlelighters has been there for families from that moment of diagnosis and throughout their journey, offering the support they so vitally need, as well as investing in crucial childhood cancer research to improve treatments and outcomes for these families.

By making a donation, you’re contributing to fund specialist talking therapies for parents, children and siblings, staff roles on the oncology wards at Leeds Children’s Hospital, financial grants to cover travelling costs to hospital, any other of the wide range of support services we offer, or the research we fund. Whether it be emotional, practical, or financial support, we can help families facing unimaginable circumstances to feel a little less alone, thanks to supporters like you.

On behalf of all the team here at Candlelighters – thank you. To hear more about how your donations are used, make sure you’re following us on our social media, and email marketing@candlelighters.org.uk to be added to our e-news mailing list, if you don’t already receive our regular emails.

Yours faithfully

Emily Wragg
