

As we approach the end of the week it is time to look back at what all our pupils have achieved this week. I know all our teachers have been really impressed with how hard everyone is working in school. We celebrated these achievements in our Merit Assembly by Zoom this morning, a great way to round off our busy week.

All our junior forms have completed an autumn team building day and we have received excellent feedback from the pupils taking part. It really does seem that they thoroughly enjoyed the day, despite the challenging weather for some. Jack Cummings, who delivered the team building days, was very complimentary about how engaged and polite all our pupils were throughout the days. I am sure we will be looking to do more of these in the future.

As we move forward, it is clear that we will continue to face some restrictions as a result of Government guidance related to Coronavirus. I would like to assure you that we are continually reviewing current restrictions and will keep you informed of any changes that have to be implemented. Currently, we are still not permitted to allow any parents in to school, whilst I appreciate this can seem very restrictive; this is how we ensure our school community is safe. I would like to thank everyone for adhering to these rules.

Have a great weekend everyone

Best wishes to you all from Mr N Saunders and all the staff.

Driving & Parking around school

Unfortunately, we have had several complaints from local residents this week, some of which have been blocked in their own drive by parents dropping off and/or picking pupils up from school. There have also been complaints of parents parking dangerously close to the roundabout and an incident of a car travelling along the narrow road directly behind school.

Please be considerate when you are parking and/or driving around school. Our main concern is the safety of all our pupils and maintaining excellent community links with our local residents.

Uniform

When we return after the half term break, all pupils will need to come to school in their full winter uniform, including a school jumper/cardigan and duffle coats.

If you feel that you would like some more time to wash jumpers/cardigans, please alternate this with the school fleece. Pupils will not be permitted to wear their own hoodies/jumpers in school.

The waterproof jacket is not part of our winter uniform; this is for games sessions/outdoor days and visits purposes only.

OPEN DAY

Saturday 3 October

Our virtual open days are the perfect opportunity for you to visit the school and meet our staff, current students and parents, and view our excellent facilities. We hope to bring you as close to an on-campus experience as possible, whilst respecting social distancing guidelines.

Sign up, log on and tour round the campus, before talking with teachers online.

The Programme

10.50 – Introductory talk by Chris Jeffery, The Headmaster (School Hall)
 11.00 – Tour of the Departments; select which areas you would like to see, includes video presentations by staff and students
 12.00 – Meet our Staff; join our key staff for a virtual meeting where you can ask any questions you may have.
