Welcome back to the start of a very busy half term. I hope you are all well rested after our two week holiday, the feedback from most parents seems to have been positive and the children seem raring to go!

We had our first stay and play session at The Lodge this week for any new families with children aged 18 months – 4 years, please keep an eye on the bulletin for our next one. If you know of anyone that these might benefit, please pass on the details for us.

Our school Open Day went well today with lots of visitors in school. The children who guided visitors around school were fantastic ambassadors for us and we received many comments about their super manners and how articulate they are.

The termly report cards should have all landed with you yesterday (F4-U6) and you should have received information about these by email.

Tonight is the Friends Halloween Disco for Form 1 - Form 3 from 6.00pm – 7.15pm and for Form 4 – UVI from 7.30pm – 9.00pm. If you haven't sent a reply slip in you can e.mail The Friends on Friendsofladylane@gmail.com

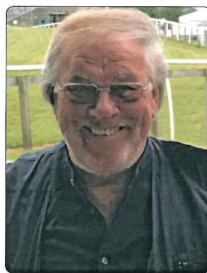

Sadly, I have to inform you of the sudden and unexpected death of Mr Derek Southcott. Mr Southcott taught Brass at Lady Lane Park School for over 20 years and was a great inspiration to all the children he taught. A charismatic figure and dedicated musician who loved life, he was a true gentleman. None of us, parents included, will ever forget his renditions of 'Land of Hope & Glory' at the end of our annual Performing Arts evenings.

A trombone player of the highest calibre, he was well known for his time with the James Shepherd Versatile Brass Band, the Black Dyke Band and the world famous Syd Lawrence Orchestra. This week he was described as a 'brass legend' in the November issue of Bandsman.

Mr Southcott's family have asked that thanks be passed on for the many messages of support and cards they have received, they have been touched by them all.

Mr Southcott loved working with our children and we will miss him very much as a friend and colleague and teacher.

Table tennis Wednesday 14th November

There will be NO table tennis club after school today due to a match at Bradford Grammar. Children have received a letter if they have been selected to play. There is a list on the sports board if they need to check.

Any problems regarding the match from those players selected please see me as soon as possible. There will also be a match on Tuesday 20th November at Eldwick Primary. Letters will be given to those involved next week.

Forest School Packed Lunches

Please remember we are a nut free school when preparing packed lunches for Forest School. This also includes Nutella. There have been occasions recently where parents have forgotten, which could have been potentially dangerous for children with allergies. Many thanks for your cooperation and continued support.

Congratulations to Form 2 for a fantastic day at Forest School on Wednesday despite the rain! You were all brilliant and well kitted out (a great example of the kit needed for a day in the woods!).

The Forest School Team (Mrs A Grote & Mrs S Cardus)

New Sports Kit

Over the past couple of winters we have been trialling a wind/rain proof tracksuit top with the staff. We are now happy to recommend these to you for optional sports and outdoor wear (Note: Not to replace the duffle coat or blazer). The items need ordering online with Pendle <https://lady-lane-park-school.footballkit.co.uk/> priced from £18.24 plus delivery. Pendle have advised us that delivery costs are cheaper when ordering more than one, so maybe order with a friend to reduce costs.

Sal's Shoes

We are collecting old and outgrown shoes for this charity which is run locally by Keighley Rotary Club. There will be a collection box at the front of school up until after Christmas (in case Santa any brings new shoes!). This small gesture of giving away old shoes is a simple but effective way of helping less privileged children across the world.

There are 300 million children in the world for whom walking with shoes is a rarity. This makes them extremely vulnerable to infection by parasites, such as hookworm; while injuries to the feet and ankles can lead to ulcers and other conditions which are almost always left untreated. Without shoes, many children are not permitted to attend school. Crossing continents to make sure that your used, loved (and barely worn) outgrown children's shoes are delivered straight from you to those in need.

Any shoes need to be paired up together either with an elastic band or the laces tied together and will be collected in January. Thank you for your support!

Ruddigore

I would like to take this opportunity to thank you all for supporting our budding actors and actresses in their rendition of Ruddigore last week and at our performance on Sunday. Your lovely compliments were gratefully received and we are so pleased you enjoyed the show.

I'm sure you'll agree that they really were all little super stars!!!! Their talent knew no age restriction - the youngest child on stage was only 4 years old and the eldest just 9. They were all fantastic, and in parts, incredibly funny! I think they have all gained lots of valuable experience being able to perform on a proper stage and the children were a complete credit to the club, school and their families.

I was honoured to have the support from an amazing team: Mrs Hudson, Mrs Lorimer, Mr Sykes, Miss Holmes, Mrs Nash-Myers, Mrs Holliss and Mrs Barrett and also to Mrs Williams, Miss Burraway, Mrs Burraway, Mrs Hyde and Jez Hellens (our lighting and sound engineer) for helping out front of house and backstage.

They were instrumental in making this event happen so a huge thank you.
